1

Onboard

A short online questionnaire about your business and trade

2

We Build

Every document personalised to your branding, processes and people

3

Go Live

One integrated system, with every document in a master register

4

Kept Current

Ongoing support, and automatic updates whenever legislation changes

No set-up fees. Prices are valid from 01/10/2026. Monthly plans have a twelve month minimum term. Annual plans are paid in advance and include two months free. Get Compliant documents are delivered as a zip folder of PDFs; Accreditation Ready adds the Accreditation Pack and access to the Passmark app for the term. Your bundle is set by the number of people you employ. Passmark builds your documents from the information you give us, and you remain responsible for putting them into practice. Documents are licensed for your business's sole use. To see what's included in every pack, visit mypassmark.co.uk/packs. Full terms: Passmark Terms and Conditions (PMK-CON-01) at mypassmark.co.uk/terms.
