APPROVED FOR USE BY THE CLIENT

Scope of this certificate. Passmark built these documents to the client's specification, using information the client supplied, and the client has approved them for use. Passmark has not verified, and this certificate does not confirm, any accreditation, membership, insurance, qualification, training, first aider, competent person or other claim stated in the documents; these remain the client's responsibility. This is not certification against ISO 9001, ISO 45001 or any other standard, nor an assessment of how the documents are applied in practice. The suite should be reviewed before the date shown, or sooner if the business, its work or the law changes. Issued under Passmark Terms and Conditions (PMK-CON-01).
